

Want to learn about Ukraine in a kid-friendly way?

ALL PROCEEDS GO TO CHARITY

While there's currently a war in Ukraine, we want kids to have other associations with Ukraine - not just pictures and stories of war.

Ukraine is a fascinating, dynamic country with a long, complex history, captivating traditions and oodles of delicious foods. **Kids should learn about that stuff as well.**

£4.50

for hours of learning

all of which goes to charity

This Activity Book uses a combination of online and offline activities to teach about the history, culture, traditions, food and famous people of Ukraine.
